January Spiritual Practice: Prayer

Posture of prayer - Before entering into the prayer, prepare yourself physically and mentally. Begin by sitting comfortably, placing both feet on the ground, with posture upright and hands open on your lap as if waiting to receive a gift from God. Then, abandon any agenda, worries or thoughts you bring to this prayer and entrust these things to the providence of God. Ask for the grace to be receptive to what God will speak to you through this Scripture reading.

Meditate (meditatio)

Begin with reading scripture. As you engage the text, let the word or phrase that stood out become your invitation to dialogue with God. Allow the word or phrase to wash over you and permeate your thoughts and feelings. Mediate on this quietly.
