January Spiritual Practice: Prayer

Posture of prayer - Before entering into the prayer, prepare yourself physically and mentally. Begin by sitting comfortably, placing both feet on the ground, with posture upright and hands open on your lap as if waiting to receive a gift from God. Then, abandon any agenda, worries or thoughts you bring to this prayer and entrust these things to the providence of God. Ask for the grace to be receptive to what God will speak to you through this Scripture reading.

Contemplate (contemplatio)

Begin by reading scripture and meditating on the word or phrase that stood out to you. Ask God what He is saying to you. Ask yourself what you want to say to God. Think about what feelings this brings up in you. Share it all with God. Then be still and rest in God's presence. What gift has God given you to take away from this prayer? To what action might God be inviting you? Thank God for this gift and invitation as you conclude your prayer.
